## LIVE CHAT HOW-TO GUIDE

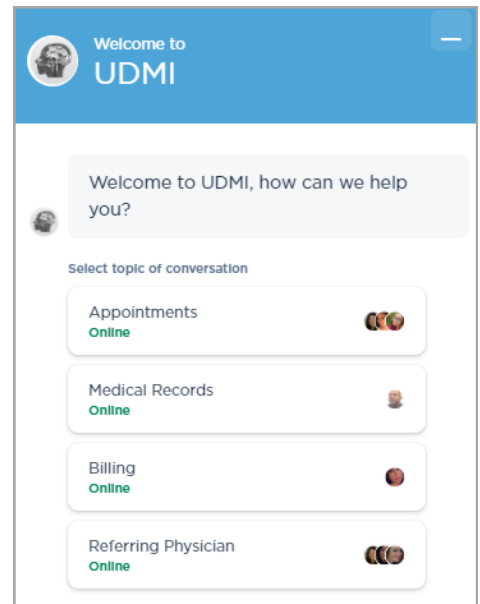

Live chat is the quickest and easiest way to **BOOK, RESCHEDULE, OR CANCEL AN APPOINTMENT** and can be accessed on any smartphone or computer.

You can also use live chat for:

- Billing questions
- Medical record requests
- General inquiries
- Upload patient documents (such as a picture of your referral or your insurance card)

## Connect with us in 4 easy steps!

1. Go to **www.udmi.net**
2. A chat bot will appear in the lower right hand corner. Click **"Chat with us..."**
3. Select the topic that best describes what you need assistance with
4. Answer a few short questions and be connected with a UDMI team member

## PATIENT PORTAL

Our UDMI Patient Portal is a secure platform that allows you to access your personal medical health information and use other self-service features anytime, from anywhere.

On the portal, you can:

- View upcoming appointments
- View and/or download medical reports
- View and pay any outstanding balances

## How to register:

*Note, you will only need to register once*

1. Go to **www.udmi.net**
2. At the top of the webpage, click **"PATIENT PORTAL"**
3. Select **"Register for Access"**
4. Fill in all fields and click **"Register for Access"**
5. You will receive an email to the address you provided in your registration to activate your account. Open that email and hit **"Activate Account"**. You will not be able to log in without completing this step
6. Once your account is activated, you may use your login credentials to access your personal health information

**\*\*IMPORTANT:** Make sure all of the information you provide (name, date of birth and email) matches what you have on file with us. Any items that do not match may prevent you from accessing your account. If you're not sure, get in touch with us to confirm
